

Governance and Regulation in Adult Social Care

Fully funded. Immediate impact. Stronger leadership.

Build confident managers. Strengthen compliance. Improve care quality.

Why this matters

Weak governance shows up fast:

- Poor CQC outcomes
- Inconsistent care
- Stretched managers
- Higher staff turnover

This programme helps you fix that quickly.

Supported teams stay longer
- **Immediate impact**
A Governance Improvement Plan applied straight away

What this means for your business

- Reduced compliance risk
- Better inspection outcomes
- Stronger leadership pipeline
- More stable teams
- Higher quality care

This is not theory. It is operational improvement.

Who it's for

- Registered Managers
- Deputy Managers
- Team Leaders
- Future leaders

Build leaders from within

Create a clear pathway from learner to leader:

- Level 4 Diploma in Adult Care
- Level 5 Leadership and Management
- Level 5 Leader in Adult Care Apprenticeship

Grow your own leadership. Reduce reliance on recruitment.

What they'll learn

- Governance and regulatory frameworks
 - CQC expectations and responsibilities
 - What "well-led" looks like in practice
 - How to prepare for inspections
 - How to drive continuous improvement
- Practical. Relevant. Ready to use.

Why choose Realise

- Skills for Care approved
- Sector-expert trainers
- Built for real care environments
- Focused on outcomes, not attendance

We understand the pressures. We design training that works.

What this means for you

After this course, you'll have:

- More confidence at work
- Stronger understanding of regulation
- Skills to step into leadership
- A clear progression pathway
